### Write stuff Investment essay is contest winner

Exploring economics in virtual and augmented reality gave a Romulus 12-year-old the chance to become a national winner in real life. Matthew Williams, a seventh grader at

Matthew Williams, a seventh gnoder at Barth Elementary School, has claimed third place among middle school students in the SIFMA Foundation Fall 2016 InvestWite® competition. He was pre-sented with a new laptop during an offi-cial ecremony at the school Wednesday. The program challenges thousands of stuthe program enanemass unusamus or su-dents across the country to consider an investing scenario and make recommen-dations that incorporate short- and longterm investment goals

term investment goals.

"Matthew Williams' innovative investment analysis of componies utilizing augmented and virtual reality carned him the
SIFMA Foundation 'InvestWrite Genius'
title this year,' said Melanie Mortimer,
president of the SIFMA Foundation. "We
commend Matthew and his toscher, Lewis
Smith III, Sor this achievement. Helping students better understand our economy, our markets, the role of investors, and how to make good investments will pay dividends for the students, their educasented with a \$200 check for his efforts in

research augmented and virtual reality and apply concepts learned in The Stock Market Game", to make a portfolio rec Market Game", to make a portfolio re-commendation based on what would be a good long-term investment-in reality. Williams Secsard on Intel, including in his essay. In its third quarter, Intel had 21, percent year-over-year revenue growth and 21 percent year-over-year net income expansion. Those results have outper-formed some of its competition. INTC is formed some of its competitions. INTC is currently trading at \$35 per share, which has tripled within three years. This expansion of growth far surpasses its com-petitors in similar industries and shows that Intel is a solid long-term investment.... My question to you is, are you

## **Canton denies permits for massage parlors**

Township Board of Trustees pro-hibited the opening and reopen-ing of separate massage parlors Members of the heard refused

the appeal of the owner of Mulan Massage to reopen a location in a small strip mall near Ford and search warrant at the operati

Canton Center roads. The facility opened in 2015, but was closed in January when Canton Township Police and Oakland County Sheriffs denuties executed a have state-required licenses.
Oakland County Sheriff's Det.
Sgt. Christopher Cole wrote to
Canton Township Clerk Michael Sierrist outlining the violations

found during the January raid.

Officials also denied the petition of Rebalance Wellness to open a new massage parlor-type business near Ford and Lilley roads as it would be located with-in 1,000 feet of another massage norfor and local residences

Tom Liu, told the board mem-bers that he did not intentionally

owns four other massage parlors in West Bloomfield, Novi, Brighton and Highland. He told the board he operates the massome partors in an effort to raise sage pariors in an enort to raise capital to open a business manu-facturing building materials. He said that the masseuses at his facilities earn about \$30 per

hour and that many of them are immigrants from China. He con-tended that the women at his facility did not need to be state. Cole said in his Jan. 31 letter that Mulan Massage had "been under investigation for the past Wellness, Zixuan Wan, did not include three letters of support with her application for a license and her planned location would violate local ordinances, accord-ing to Deputy Police Director Chad Baugh.

Chad Baugh.

Her application was denied by a 5-2 vote, with trustees Steven Sneideman and Anne Marie Graham-Hudak voting in flavor of granting her a license to

## Monte Nagler to speak at art club meeting

will be the guest speaker at the next Three Cities Art Club meeting set for 7-9 p.m. April 3 at Canton Township Hall. Nagler will reveal some of his secrets

for creating award-winning photos and show examples of his work during the free

snow examples of his work during the free meeting which is open to the public. Nagler is a noted writer, lecturer and teacher of photography. He has conducted many classes and seminars throughout the many casses an seminary unoughout me world. He is also the author of six highly-successful photography books. Frequently, he is called upon to judge competitions and to speak on photography topics on local radio and television stations.

scar radio and television stations.

His photographs, which have won umerous worldwide recognition, are sund in many private, public and art uns Galleries art dealers interior designers and nublishing companies throughout the United States a Canada represent his photography.

Upon completing undergraduate and master's degrees from the University of Michigan, Nagier became a car designer and product planner in the automotive industry. Eventually, be trumed his eventive industry. Eventually, be trumed his eventive energy to photography. His passion and drive for photography were greatly enhanced after a intensive workshop with Ausel Adams in Vosemite National Park: "Aw sating that period or con-tracted work that, I realized that making."

trated work that I realized that making photographs is a way to experience beauty instead of just looking at it." Nagler said. "Through their photographs, a photogra-pher should be saying. This is what I saw and felt and I'd like to share that," he added.

The meeting will take place in the lower level meeting room of Canton

Township Hall 1150 South Canton Center brary. Light refreshments will be served. For more information, contact Marilyn

### **Belleville sets road assessment meetings**

elleville will soon receive a letter detail.

Members of the Belleville City Council approved funding for the letters to the 94 homeowners in the neighborhood and also scheduled two public information sessions to discuss a proposed Special Assessment District (SAD) to pay for street repairs in the subdivision. Financial and engineering professionals will be on hand to answer questions and detail the propos-al during a meeting planned for 620 p.m.

Tuesday, April 25 and Thursday, April 27 at Belleville High School cafeteria. The letters were suggested by Mayor Kerwen Conley who said she felt the resi-dents needed to understand the procedures necessary to establish a Special Assessment District to fund the planned repairs. She said that residents needed to understand that this required the approval of residents and felt that they

nothing or we do something. We have to educate the property owners.

Pointe, and a member of the city planning commission, said that the subdi commission, said that the subdivision is the second highest taxed area in the city and asked if a less expensive repair plan could be implemented or negotiated. Conley responded that the use of asphalt

Conley responded that the use of asphalt rather than concrete on the roads had been considered and rejected due to the maintenance issues with asphalt. Rick Rutherford, director of the Belleville Department of Public Works, ould also be informed of the exact road-ork proposed.

# Kosowski named Legislator of the Year

### Recall

to pursue a recall effort, but that he felt any claim that he mistreated or was rude to residents was somewhat disingeneous. "When you chair the meetings, you know you are going to get a certain

amount of abuse. It goes with the job.
"I admit that when these same people stand up week after week and ares summ up, week mor week, and access me of misdeeds, of actual felonies, I may be curt in my denials. Ive taken a significant amount of abuse from a group of people

who are critical of everything that goes on in the city."

Godbout went on to say that several of ese group members use social media to iticize any action the administration and ouncil take often without complete political move in an attempt to replace certain members of the council who are

as to how to do my job on the city council," he said. "When people are fair and rea-sonable with me, I am certainly fair and

Boron said that he had been consider-ing taking the action since January when he "first thought about it." He said that he is not backed by any political group and so far has spent about \$150 in personal funds on the recall effort.

on the recau errort.

Following approval of the petitions last
week, Boron and his "group of about 25
volunteers" will have 90 days to gather volunteers will make so days to gather 5,550 petition signatures of registered vot-ers in Westland. The required number is based on a percentage of the number of based on a percentage of the number of votes east in the last gubernatorial elec-tion. If the group is successful, and the petition signatures validated, the issue will go on the ballot of the next regular-election in the city. In Westland, that will be in November and Godbout's name would appear on the ballot along with that of any challenger for his soat.

iny challenger for ms sear. "Basically, they will have forced me to titical move in an attempt to replace tatin members of the council who are stand for election one more time; "attive political factions.

Look I just card bet this affect my plan act in the best interests of our citizens:" Kosowski represents Michigan's 16 House District, which comprises a porti of Westland and the entire City of Wayne.

of Westland and the entire City of Wayne. Kosowski is serving his third term in the House, and before serving in the Legislature he worked as Westland Parks and Recreation director. He worked for the city for more than 20 years and was a mem-ber of many advisory boards. Kosowski ber of many advisory boards. Kosowski studied business management at Advisa College and Wayne State University. He and his wife, Elizabeth, have two sons, Andrew and Austin. The family has lived in Westland for nearly 20 years.

estiand for nearly 20 years.

Wayne Mayor Susan Rowe presented asovski with the award last Tuesday.

"During his time in the state House, Representative Kosowski has distinquished himself as a thoughtful policy aker and earned the respect of his col-agues on both sides of the aisle," Rowe leagues on both sides of the aisle," Rowe said. "Representative Kosowski has proven time and again that he values good policy

to the League and his constituents. The League looks forward to working in part nership with him through the remainder of his time in Lansing."

Kosowski has been an outspoken, sun

portive voice on numerous issues that have been critical to the Michigan Municipal League and its member communities, including his leadership in attempting to restore cuts to revenue sharing, protectir Tax Increment Financing as an econom development tool, and supporting govern

ment immunity in the event of sewer back-ups during extreme rainfall. Rowe said. ups curring extreme runnian, Howe said.

The honor is presented each year to lawmakees for their instrumental actions in the Michigan State Legislature on behalf of local communities

These individuals are recomized to their efforts in the approval of legislation that will benefit local governments or who have fought consistently to support local
