That success inspired National Honor udents to continue the event in

An announcement from town ship Police Chief Tom Tiderington last week that author-ities are awaiting a decision on criminal charges from the office criminal charges from the office of the Wayne County Prosecutor regarding a marijuana dispensary in the township that has appar-ently reopened after being shut down last year prompted discus-

"They are operating illegally as we speak," Tiderington told the members of the board of trustees Township Supervisor Kurt Heise indicated that he was not in favor of any such dispensaries in favor of any such dispensaries in the community and suggested that those with permits for medical marijuana could easily obtain it in nearby areas such as Ann Arbor. His comments drew the ire of

attorney Matthew Ahel who ren the Cannabis Council of "I don't think this is appropri-

ate," he said in response to Heise's suggestion that those with medical marijuana permits could drive 20 minutes to Ann Arbor to fill their prescriptions for the federally-controlled substance.

Heise succested a formal reso. ing commercial operations selling or distributing marijuana within the township boundaries. He told the board members that he

Township attorney Kevin ennett assured the board memhers that no additional formal action was necessary and that currently medical marijuana facilities are not allowed in the

township.

Patients using the drug for pain relief and relief of other acute symptoms including back pain, chemotherapy side effects

Trustee Bob Doroshewitz reminded the board members that 63 percent of Michigan voters and a majority of sounship voters in 2008 favored of allowing med-ical marijuana and that to not allow the dispensaries would appear "to usurp the will of the voters." He added, however, that there have been issues with the implementation of the laws regu-lating marijuana and that he rec-ommended the township adopt a

wait-and-see attitude. The board members on and oniate addiction spoke to the - take no official action on the

Belleville - Romulus

City plans to market site of cancelled mall

a proposed regional outlet mall would not be coming to the community, Romulus officials learned that another

isominis omeiais tearned that another big business is leaving town. Al23 Systems, LLC, a lithium-ion bat-tery production firm with plants in mulus and Livonia, announced that it uld close the Romulus facility and we to a new headquarters. The

Romulus plant employed about 200 peo-"We've had some bad news recently." said Romulus Mayor Leroy Burcroff.
A123 Systems had announced an
intention to increase battery capacity as recently as 2015, but the market demand never justified that production, accord-ing to company officials. The Romulus nlant which has the canacity to produce was only producing about one million every year. The new facility will be con-structed on a 32-acre site near the Fountain Walk complex at 196 and Novi Road, and include the corporate head-quarters, more laboratory space and a battery assembly plant, according to a company nows release Construction is cted to begin this fall and be com-

pleted next year

Bureroff said he followed up with officials from Tanger Outlets, the most

posed outlet mall that had been planned for a 35-acre site at Wick and Vining roads, near I-94. Charles Worsham, sen-10e vice president, construction and development at Tanger Factory Outlet Centers, Inc., told the mayor that the city had done nothing wrong throughout the last three years while the project was in

development.
"He said the retail market is cautious right now." Burcroff said. "There are a right flow, Burcrott said. There are a lot of changes with online [purchasing]. The thing that really halted the project was the lack of commitment from ten-

ants. They did not have a number that they felt comfortable moving forward with."

He said, however, that he was impressed with the support Romulus showed for the project and their willingness to work with permits and approvals

and the willingness the city showed in accommodating their timeline. The parcel is only 25 acres of about 1,000 acres of vacant land that city offlcials have primed for development since the community visioning process in 2013. Since then, the city has worked to remove a flood plain designation from remove a noon plant designation from the area, reducing the insurance and construction costs for potential builders. They received approval for a curb cut on Vining Road, which is officially classi-

process that required extensive lobbying with the Michigan Department of Transportation as well as the Federal Transportation as well as the rederal Highway Commission and upgraded nearby water mains and road signals,

and completed reconstruction work on Wick Road. Tim Keyes, economic development Proposals to have a third party conduct a formal market evaluation on the 1.000-

Vining Road Development District," he said. "We are reviewing the RFP sub tals now and hope to interview

award in the next two - four weeks."
"We're not going to give up; we're going to keep working our plan," Bureroff said. "There's still a lot of inter-est in that area. We're going to stay vigilant and keen working on other develor
