State oversight of election sought

Conzelmann said at the forum that she did not help either of them with their filings.

The office of the Secretary of State is continuing to review a request from two Plymouth Township candidates seeking state oversight of the upcoming Aug. 2 primary election.

The candidates, State Rep. Kurt Heise who is seeking the office of township supervisor, and clerk candidate Jerry Vorva, wrote to Secretary of State Ruth Johnson last week, requesting state oversight of the election in light of comments made by current Township Clerk Nancy

Conzelmann during a League of Women Voters candidate forum.

Conzelmann admitted during the question and answer portion of the forum that she had helped some township candidates complete their filings for office while not reviewing the paperwork of others. Heise and

trustee candidate Don Schmetterer were removed from the Aug. 2 ballot by a court of appeals decision which supported a claim that their failure to include the precinct in which they vote in the township on their respective affidavits of identity invalidated their candi-

dacy. Both have subsequently mounted write-in campaigns. Heise, term limited in the state House of Representatives, in an effort to replace appointed Supervisor Shannon Price and Schmetterer to seek a term as a trustee.

Conzelmann said at the forum that she did not help either of them with their filings. Her admission brought strong criticism from Vorva, a former state

Champions Students awarded cash for grade improvements

Once again, the Champions received their deserved rewards.

During the second celebratory banquet last week at the Hellenic Center in Westland, a crowd of about 600 students, parents, educators and mentors gathered as the John Glenn High School Champions who achieved their scholastic goals each received a check for \$200. In addition to the checks, the students were rewarded with accolades and congratulations from their teachers, district officials, their peers and program founders, Glenn and Patty Shaw.

"We had, I think about 560 students sign up this time," Shaw said. "The participation among the students is just tremendous. Of those, I believe 159 achieved their goal of improving their grade point average by at least a half point."

Shaw said that the celebration was genuinely moving and demonstrated what the sincere involvement of parents and/or other adults can do to help students find the right path for their futures.

"We the Champions Board of Directors members stay involved. We really do. We communicate with the students and the parents during

the school year. We remind them of their commitment to the program and encourage them to find ways to succeed."

"I think that is the real key to our success, these kids know that someone really cares. We include the parents in this contract, and their chosen mentor, and they know that this is real. They know we really do care if they succeed and that we will help them."

"Sure, they love the money, but honestly, I think the satisfaction of being able to walk up on the stage and feel that sense of accomplishment means just as much to many of these kids," Shaw said.

"There is just no way to explain the satisfaction Patty and I feel, doing this. These kids just move us to tears."

Shaw and his family, along with the Westland Community Foundation, fund the program which presents the checks to the students who agree with their parents and a mentor they choose, to bring their grades up. One student this year went from a failing 8 grade point all the way to a 2.8 grade average.

"She brought the entire room to tears with her story," Shaw said. "We were all wiping our eyes."

Four other students also

spoke emotionally of their accomplishments and what the program meant to them during the presentation banquet.

In addition, the Westland Community Foundation was able to grant more than \$24,000 in scholarships to local students. "These awards went to students who would, otherwise, never be able to think about attending college," Shaw said. "They couldn't continue their education without schol-

arships."

Shaw noted that Sharon Scott, Sandy Godbout and Steve Kay of the Westland Community Foundation put in some very long and heart-wrenching hours sorting through the applicants for the scholarship funding.

"They had to review so many applications from so many really deserving young people," Shaw said. "They had

Inkster councilman chosen for Democratic ballot

Jewell Jones, the youngest member of the Inkster City Council, has been chosen as the Democratic candidate to replace the late Julie Plawewski on the primary ballot as the state House Representative in the 11th District.

Jewell Jones

Eleven candidates, several from Inkster, filed for election to the term of Mrs. Plawewski who died suddenly last month while hiking with her daughters on a family vacation in Oregon. The 11th District includes Dearborn Heights, Garden City, Inkster, part of Livonia and part of Westland.

Jones, still a student at the University of Michigan Dearborn, has been on the Inkster City Council since last year when he was elected at the age of 20. He was chosen by a three-member panel elected by precinct delegates at a meeting last Thursday at Westland City Hall. There were 89 precinct delegates eligible to cast a vote on a panel of three who then selected the replacement candidate and of those, 46 were from Inkster. Two of the three-member panel, former Inkster school board member Mable Stroman

and Inkster Mayor Pro Tem Timothy Williams, were from Inkster.

Jones will now be unopposed in the Aug. 2 primary election. There will be a separate primary election Aug. 30 to determine who will fill the remainder of Mrs. Plawewski's term.

Among those who filed to be on the primary ballot was Lauren Plawewski, 22, the daughter of the deceased representative. Her candidacy for the seat was endorsed by State Sen. State Senator David Kasek (D-Dea) Dearborn Heights, prior to the selection of Jones.

Lauren Plawewski said in a prepared statement, "I am not my mother, but the lessons she taught me about integrity, compassion and service to others have left me uniquely positioned to carry on the work that she started."

Municipal clerks will be issu-

ing corrected absentee ballots in some communities where those ballots already went into the mail for the Aug. 2 primary. Voters are advised to check with their individual clerks office to determine when the corrected absentee ballot will arrive.

In addition to Plawewski and Jones, several other candidates submitted a letter of intent and a resume before the deadline last week for consideration by the three-member panel including: former Dearborn Heights Councilman Ned Apigian; Dearborn City Planner Mohamed Ayoub; Rashid Baydoun; Dearborn Heights Councilwoman Lisa Hicks-Clayton; former Inkster Mayor Hilliard Hampton; Robert Johnson; ACCESS Supervisor Rafael Barbar; Inkster Councilwoman DeArtriss Richardson and Aaron Sims, of Inkster.

Grant to fund \$100,000 Norwayne complex

A new sports complex in the Norwayne area of Westland is \$100,000 closer to reality, thanks to a grant from the State of Michigan.

The city received a state grant for recreational improvements in that amount last week presented to Mayor William Wild by State Rep. Robert Kosowski during a regular meeting of the city council.

The project will begin in October, officials said, and will include amenities such as fields, bleachers and possibly a walking path and playground equipment. This grant was made possible by the support of Kosowski, Speaker of the House Kevin Crotty, Chair of the House Appropriations Committee Al Pischke and Minority Vice Chair Harvey Santana, according to Wild.

The new recreation area has been named Lincoln Field after the former elementary school which was located at the site. Westland will lease the property, located on Grand Traverse next to Cayley Park, from the Wayne-Westland

Community School District for \$1.

"The Wayne-Westland Community School District has a great working relationship with the City of Westland," commented Wild. "None of this would be possible without the wonderful support we have received from State Representative Robert Kosowski and his colleagues at the state level as well as the Wayne-Westland Community School District. The children of the Norwayne community will greatly benefit from these recreational enhancements by having more resources and places to go to engage in healthy and active lifestyles."

"This is the second major grant the City of Westland has received for recreational improvements to the Norwayne area," commented Wild. "None of this would be possible without the wonderful support we have received from State Representative Robert Kosowski and his colleagues at the state level as well as the Wayne-Westland Community School District. The children of the Norwayne community will greatly benefit from these recreational enhancements by having more resources and places to go to engage in healthy and active lifestyles."

In April, the City of Westland received a \$175,000 grant which funded improvements on the Jefferson Barns Community

an extremely difficult job and they handled it well," he said. "They are each a tremendous asset to the foundation and the community."

Shaw said that Wayne County Community College District and Schoolcraft College each offered scholar-

ships for deserving students through the program this year.

"These colleges are true examples of what it means to educate young people. They do so much more than other classes. They teach and lead by example, showing us, and the students, their dedication to improving the entire community with their involvement and dedication. The entire community is grateful to these colleges for their genuine efforts to improve young lives," Shaw said.

'Diamond' winner sought

The Commission on Aging and Wayne Senior Services Office are once again looking for help in finding the Diamond of the Community.

This program recognizes a Wayne resident, 70 or older, who still continues to volunteer in helping make Wayne a great community in which to live. Nomination forms are available at Wayne City Hall, Wayne Library and Wayne Senior Services/HYPE Recreation Center. They must be completed and returned to the Senior Services Office by Thursday, Aug. 4.

The resident selected as the Diamond of the Community will be the guest of

honor at a dinner Sept. 30, receive \$75, a beautiful plaque and be presented with an official resolution from the city acknowledging their contributions.

The award program will be sponsored, again this year by Wayne Dairy Queens.

Information regarding the presentation dinner and tickets will be released following the selection of the Diamond of the Community recipient for this year.

For more information, contact Wayne Senior Services, (734) 721-7460 or mmoo@cityofwayne.com.

Office hours are 9:30 a.m. until 1:30 p.m. Tuesday, Wednesday and Thursday.

Millage meeting is planned

City of Wayne officials have scheduled a Public Safety Millage Town Hall meeting for 6:30 p.m. Wednesday, July 27 at New Hope Baptist Church, 33640 Michigan Ave. in Wayne.

Steve Duchane, city manager in Eastpointe, will participate in a panel dis-

cussion of the SMORSA proposal and there will be a question and answer session. The meetings are informational and will concern the current financial situation in the city.

Campaign information will not be permitted at the meetings, officials said.

Ahoy there Cardboard boat races 'shove off'

The Third Annual Cardboard Boat Race is scheduled to take place beginning at 9:30 a.m. Saturday, Aug. 6 at the Summit on the Park Aquatic Center.

Participants are encouraged to use creative teamwork to build a boat using only cardboard and duct tape prior to the event. Boats should be less than 5.5 feet wide by 10 feet long. Cardboard boats must be built at home and then transported to the Summit to compete. Paddles will be provided for participants and boats can be raced by one or two individuals. Competitors will be divided up into two age categories: ages 8 and under and ages 9 and above. Awards will be given out in both age groups to the fastest and most creative boats. In addition, the most dramatically sinking boat will receive the Titanic Award in each age group.

"All ages are encouraged to try their hand at this fun and challenging event," said Brad Chissom, recreation specialist.

"The outcome is always both entertaining and inspiring. It's great to see teams working together and the competition makes it even more enjoyable. These races are really fun for contestants and spectators alike."

Assistance finding cardboard material is available by phoning (734) 394-5467. The entry fee for this event is \$10 for Summit members, \$15 for Canton residents, and \$20 for non-residents.

The Summit Aquatic Center features a 25-yard lap pool, zero depth leisure pool, lazy river, waterslide, and hot tub.

Registration for the Cardboard Boat Race can be accomplished in person at the Summit or online at www.summitonthepark.org. The Summit on the Park is located at 46000 Summit Parkway, Canton. For more information about this and other upcoming events at the Summit, visit www.summitonthepark.org or check out the Summit on the Park Facebook page at www.facebook.com/summitonthepark.

Homemade cardboard boats will again take to the pool at the Summit in Canton Aug. 6.

Rally on Ridge benefit for market is planned

The Third Annual Rally on Ridge at Preservation Park is set for 6:30-8:30 p.m. July 28. The event is an evening of food, music, and entertainment and is a benefit for the Canton Farmers Market.

Entertainment this year includes live acoustic music, gourmet food trucks, games for the kids, and more. Attendees should bring a lawn chair or picnic blanket to enjoy the music.

"Community interest in this event has grown, so we are offering more food and fun to meet this demand, which is why we are programming at both the Cherry Hill School property and adding the

Farmers Market location at Preservation Park this year," said Farmers Market Coordinator Amanda Campana. "It's the perfect event for showcasing the home of the Canton Farmers Market while building community support for market programming."

"The Cherry Hill School House area will play host to our Tiny Diners Courtyard, which will include food vendors and menu items that are super kid-friendly: think pizza, mac and cheese, hot dogs, and ice cream. This area will also feature face painters, bouncers, games, and other children's activities. More adventurous diners can visit Preservation Park to

find vendors featuring deliciously gourmet menus and live music performed by beloved market artists. No need to choose just one stop, stroll between the two locales or hop on one of our shuttles to enjoy them both," said Canton Recreation Coordinator Jennifer Provenzano.

A portion of the proceeds collected from food vendor sales during this family-friendly fundraiser will benefit the Canton Farmers Market, which is currently celebrating its 10th season. With the recent influx in "buy local" initiatives, the Canton Farmers Market is seeing an increase in both the

number of participating growers and in customers. The market continues to expand offerings from 9 a.m. until 1 p.m. every Sunday, rain or shine, through Oct. 16.

Sponsor of the 2016 Rally on Ridge include The Resper Team of Andrew Jones and Bright Side Dental.

Additional sponsorship opportunities are still available.

The public is encouraged to attend this special fundraising event and the open-air Farmers Markets, both in Preservation Park, 200 N. Ridge. No admission is required for either event. More information is available at www.cantonfun.org.
