Traffic, odors prompt township action

Don Howard Staff Writer about truck traffic, odors and plans to expand a landfill in neighboring Salem Township have prompted the Northville hoard of trustees to adopt a reso lution regarding a proposed new dumping site at the Advanced Disposal-Arbor Hills Landfill.

At a regular meeting of board nembers last week, trustees roted to approve a four-page res-olution of position. The resolution stated the opposition of Northville Township to any expansion or adoption of a new landfill, claiming it would pose long-term environmental risks

for both Salem and Northville townships due to inadequate dis-posal capacity during the next 10

community event to benefit all

these groups in the communi-ty: That's the whole point," said Eric Joy who is at the helm of the event for the fourth year

With amusement rides, entertainment on the Kellogg Park stage, and community groups sponsoring multiple

events, wrangling the needs of

so many great causes might seem daunting. Joy, however, who spent eight years, working on the festival before assum-

ing the leadership of the committee that organizes the event, gives the credit for organization to the civic

groups.
"These groups have almost all done this themselves for many years. They know what they are doing. They know

they are doing. They know what they need and after a few years, you kind of know what to expect that everyone will need," he said. The weekend begins with

the Civitans Taste Fest from 6

Rotary Club Spaghetti Dinner will take Spaghetti Dinner will take place beginning at 4 p.m. in the big white text behind E.G. Nick's restaurant on Forest Street. The text is also the place for the over 21 crowd to enjoy Big Ray and the Motor City Kings beginning at 8 p.m. both Friday and Saturday, A \$3

both Priday and Saturday. A Sa cover change will benefit the local Victuam Veteram's group. An added attraction is the addition of a display from the Northville/Plymouth Fire Department. Firefighters will be on site with fire trucks and equipment for the crowds. Another change this year at

the Fall Festival is the location of the shuttle service drop off from Praise Baptist Church on North Territorial. The new drop off will be on the corner of Main and Church streets nearcity hall. The car show will be

expanded this year and take up all of Forest Avenue and

Meth lab discovered during police raid

neonle last Wednesday when they discovered what appeared to be a drug manufacturing operation at a Westland home

operation at a Westland home where they had gone to arrest a man for violating parole. According to Michigan State Police First Lt. Michael Shaw, troopers raided a home in the 3500 block of Manila Street near Palmer and Wayne roads in Westland the morning of Aug. 31. State troopers had gone to the home searching for an indi-vidual wanted on a felony parole absconder warrant. he described as weakened con

While searching for the arole violator, officers observed chemicals and what appeared to be a methampheta

Houses on either side of the suspected methamphetamine laboratory were evacuated by police. Shaw said, as a precaution against an explosion Methamphetamine chemicals are extremely volatile and troopers were concerned about a possible explosion in the one-pot laboratory where chemicals were mixed and sealed in what

the items from the home and performed air quality testing inside and around the suspect

chemical residue was insuffic follow arrest warrant from an cient to present a dancer to the incident in Westland. He too community. Officers did place a notice on the house labeling it as a hazardous waste site. Shaw was arrested while three other people are awaiting charging decisions from the office of the decisions from the office of the Wayne County prosecutor. In addition to the apparent methamphetamine chemicals, troopers removed one gram of that drug, other narcotics, an said the owner of the property is responsible to clean up the chemical waste that is found at sites where methamphetamine is processed. The owner of the

property was unknown at the time of the raid. Shaw said that nine individu-als were in the home at the time undetermined amount of cash and a large number of guns.

Officers also discovered three Wayne County Sheriff's and a computer search showed that six of them had outstanding felony warrants for their arrest Another individual arrived at the scene during the raid, Shaw

Department badges, which were confiscated as evidence. Shaw said that police would attempt to discover the owner of the property and notify them of said and twoners discovered the hazardous chemical

Belleville - Romulus

State tests scores decline at Savage

(Michigan Student Test of Community School District say-Educational Progress) tests at Savage Elementary School in They have returned to the class-Belleville showed a sharp

decline this year

Eventionally high scores on the test at Savage last year nension of five teachers acrosed of improprieties while adminis-tering the examinations. The scores at Savage rivaled or exceeded those at several schools for the state prompting an internal investiga-tion. Following those findings, five teachers were placed on

leave and four of them are cur-

two-week unpaid suspension imposed on them almost imme-diately after their lawsuit was filed. The fifth teacher is not part of the lawsuit and returned

to the job last year sion, based on the claim that they failed to read the training

materials for the M-STEP test, they were on paid leave. The test results at Savage dropped by 28 percentage points in the third-grade English portion of the test. Scores indicated

were competent in the curricu-lum in 2015, only 51 of every 100 students were competent this year. In the fourth-grade, English year: in the fourth-grade, English language arts scores declined 13 percent and went from 77 per-cent to 64 percent. The decreased in math scores was 27 percent, from 89.6 to 62.5 per-

A state report prepared by an independent law firm hired by the school district claimed that some teachers violated test rules by coaching students during the testing and in some cases telling students if the answer to a prob-lem was incorrect. In other cases according to the investiga-

at Savage were not consistent with scores in districts across the state which remained consistent with senres from last year cent drop from 50 to 46 percent

in the third-grade English com-petency scores. In the state aver-age fourth-grade scores, there was only a 3 percent drop.

Math scores statewide, third grade scores decreased to 45.2 percent from 48.8 percent while third grade math scores across the state rose by 3 nervent from dents

were characterized as "not usual" by Jan Ellis, spokes-woman for the Michigan woman for the Michigan Department of Education. She said that the state had assigned a staff member to monitor the test

The issue prompted man complaints to the memb complaints to the members of the school board at meetings criticizing the manner in which the law firm representatives had questioned children regarding the matter and the eviction of the five accused teachers from the school in full view of the stu-

Northville

Tour D'Ville set for Sept. 24

among bicyclists from novice to expert for the Rotary Club of Northville third annual Tour de Ville bicycle tour on Saturday,

Sont 24 pt. 24 The Trees do Ville biles vide is a family-oriented event, not a race, with all routes beginning and ending in historic down-town Northville at The Village Workshop, 455 East Cady. Routes include 10, 30 or 40-mile rides that travel exclusively along the historic Edward Hines Drive There also is a 75-mile loop for seasoned riders that starts in Northville and travels to Grosse Ile and returns. New this year is a 13.1-mile mountain bike ride from Northville to Maybury State Park. All routes are clearly marked with direction indicators at essential con-

ed in registration packets.

The rider entry fee is \$40 for riders who register by midnight riders who register by midnight on Saturday, Sept. 17. The regis-tration fee is \$55 on the day of the event. Children under 12 can participate for \$10, but will not receive a t-shirt or tote bag.

adults and one or more children will receive a \$5 family discount for each rider

The Northville Rotary Club

has been serving the community has been serving the community and promoting harmony and goodwill throughout the world for 90 years. The third annual 2016 Tour de Ville bicycle tour is the organization's major fund 900 riders and raised more than \$30,000 for charities and causes such as the Rotary International Foundation, local scholarships, student exchange programs. Little Free Libraries, Shelter Box, Life Remodeled and local food banks. Part of the proceeds also benefit the Kids Against Hunger initiative which each year allows Northville Public Schools and inner-city Detroit elementary students to work side-by-side packaging meals for

side-by-side packaging meals for hungry people locally and around the world. For more information about the Tour de Ville, visit www.tour-deville.org.

Landfill

v County borders Northville Township on the east Arbor Hills Landfill in Oakland County has been located at Six Mile and Napier roads for more than 60 years and has more than 10 years of landfill space remain ing before reaching ultimate

ing to people capacity, accordfamiliar with the operations. The landfill is the only source of

Township and subsequently

property tax pay-ments required of Salem Township residents. Northville Township residents ve described an odor emanat ing from the landfill as "poignant-

ing from the landfill as "polyamathy offensive" and their complaints prompted a formal complaint about the smell from the Michigan Department of Environmental Quality (MDEQ). In April the MDEQ issued a violation notice to Advanced Disposal. Arbor Hills and waste hauler Republic Services for offsite mai-Republic described the problem as compley in its response and called for better co-operation between the two companies to prevent the odors. Advanced stated Republic is the party responsi-

ble for adjusting and improving the system to control odors. Advanced owners say they are also responding to residents' con-Northville Township officials. Solutions offered include resur-facing Five Mile Road, increasing facing Five Mile Road, increasing dust control on dirt roads near the area, and directing trucks to use only a designated route in and out of the landfill to help ease traffle congestion. Five and Six Mile roads are the currently pop-

alar routes for hau from the east. Last week North Schools Board of Education members also approved a resolu-tion regarding the Advanced Arbor Hills Landfill.

The resolution was addressed to the Solid Waste Planning

traffic and noise the Ridge Wood Elementary School which is

the use, operations of volume of the landfill or any new landfill will exacerbate the problems with odor, traffic and noise at

Ridge Wood Elementary School and negatively impact it's 600 plus Salem Township Supervisor Gary Whittaker is a member of the township controlled Solid Waste Planning Committee.

Whittaker who said he had no knowledge of the Northville School District -55 complaint and Advanced owners resolution described the odor as "horrisay they are also responding to ble" adding how residents' concerns ever, that it has and requests

> Republic o Republic owned the gas well and they have almost fixed the prob-lem. As for the expansion of the landfill, Whittaker said he is nei-ther for nor against it, adding, "I want to know how our people

> Northville Township Manager Northville Township Manager Chip Snider described the recent unrest and citizen complaints as "the perfect storm" and said a great portion of the increased truck traffic is due the construction projects on Six Mile Road and I-696. Snider said the majority of the increased truck traffic is headed to a concrete crushing facility in the area of the landfill Snider admits Northville Township has no enforcement ability over Advanced or its sub-sidiaries should they decide to proceed and expand. Snider said he feels Advanced is a "company just going to walk away with this," referring to their recent with drawal of the solid waste expan

sion plan with the Washtenaw County Solid Waste Planning Committee.
The landfill consists of two
waste collection areas. The first,
Arbor Hills East, stopped accepting new waste in 1989 and was certified as closed by the MDEQ in 1990. The second, Arbor Hills

in 1990. The second, Arbor Hills West, is active and has been accepting waste since the late 1900s. In 2009 Advanced obtained permission from local Salem Township and Washtenaw County officials to increase the vertical from Six Mile Road for waste placement from 500 feet to 100

CANTON - PLYMOUTH

Early bond payoff saves library \$227,000

owtro \$279,0002 That's what the Canton Public Library will decide after finalizing paperwork to complete the early payoff of its building con-

Originally payable through 2020, the early payoff results in a savings of \$279,200 in interest. The final payment on the bond was made in September, 2015 and the deed transfer from the

Canton Township to the library was completed last month. The early payoff reflects com-

budgeting of taxpayer money, noted Michelle Fare, Canton Public Library trustee and secretary/treasurer.
"The board is focused on pr

viding the most library benefits to our community at the greatest value. Paying off the building hand five years early saved Canton taxpayers \$279,200 in interest, and will allow us to redicanton taxpayers \$279,200 in interest, and will allow us to redi-rect those funds to library collections, programs, services, and facilities for our patrons." Fare said in a prepared statement. The bond was origin

-,,-
