Urgent appointment Congresswoman visits local clinic to support children's health care

Inkster welcomed a special guest last week when U. S. Sen. Debbie Stabenow dropped by

Stabenow visited several community health centers around the state Dec. 15 in an effort to draw attention to the lack of congressional action on funding for both the Children's Health Insurance Plan the Children's Health Insurance Plan (CHIP) and for community health centers around the United States. Full funding for CHIP and 70 percent of money for health centers expired Sept 30.

There is bi-partisan support for both

of these programs in both the House of Representatives and the Senate, yet a bill with 70 supporters that will continue the current funding level for community current funding level for community health centers has not been put to the floor for a vote, according to Stabenow's office. Bills have been approved in the House that support both CHIP and com-munity health centers, she added.

CHIP covers 9 million children of lower income, working families in the United States, 83,000 in Michigan. Community Health Centers like Western Wayne Family Health Centers are the

patients, a spokesman from the heaten center explained. There are 680,000 patients in Michigan, with Western Wayne Health Center servicing almost

"Most people who use community health centers have either Medicaid insurance or no insurance and report household incomes at 200 percent of the federal poverty line or less. Community health centers around the county serve 9,800 communities with medical, dental and mental health services Western Wayne has centers in Inlester Toylor and Lincoln Park," said Lisa Rutledge, spe cial projects manager at the health cen
