Regional Enhancement Millage Renewal Proposal**

Pursuant to state law, the revenue raised by the proposed renewal of the enhancement millage will be collected by the Wayne County Regional Educational Service Agency ("Wayne RESA") and distributed on an equal per-pupil basis to local constituent school districts including eligible public school academies within the boundaries of Wayne RESA. None of the enhancement millage revenue will be distributed to Wayne RESA, and all funds shall be independently audited by the local constituent school districts and eligible public school academies as part of their annual school audits.

As a renewal of authority which expires with the 2027 levy, shall the limitation on the amount of ad valorem taxes which may be imposed on taxable property in the Wayne County Regional Educational Service Agency, Michigan, be increased by 1.9812 mills (\$1.98 per thousand dollars of taxable value) for a period of six (6) years, 2028 to 2033, inclusive, to provide operating funds to enhance other state and local funding for local school district operating purposes? It is estimated that 1.9812 mills would raise approximately \$108 million when first levied in 2028.

The revenue from this enhancement millage will be distributed on an equal per pupil basis to the following listed constituent school districts and the public school academies within the boundaries of Wayne RESA which are eligible to receive enhancement millage under the Revised School Code:

**Wayne-Westland Community School  
Replacement Operating Millage Proposal**

This proposal would, replace, restore, and extend the authority of the School District to levy the statutory limit of 18 mills on all property, except principal residences and other property exempted by law, which currently expires with the School District's 2025 tax levy and allow the School District to continue to levy the statutory limit of 18 mills in the event of future Headlee rollbacks of up to 3 mills. The authorization will allow the School District to continue to receive revenues at the full per pupil foundation allowance permitted by the State.

Shall the limitation on the total amount of taxes which may be assessed against all property, except principal residences and other property exempted by law, situated within the Wayne-Westland Community Schools, County of Wayne, State of Michigan, be increased, in the amount of 21 mills with 18 mills being the maximum allowable levy (\$18.00 on each \$1,000 of taxable valuation), for a period of twenty (20) years, 2024 to 2043, inclusive? This operating millage if approved and levied, would provide estimated revenues to the School District of \$573,266 during the 2024 calendar year, to be used for general operating purposes.
